

British Values at ISM

At the International School of Morocco we promote tolerance of and respect for people of all cultures, faiths and lifestyles. We support and help, through our words, actions and influence within the school and in the community, to prepare ourselves for life in modern Britain, Morocco and the world.

We achieve this through:

- Whole school assemblies that discuss and celebrate school values, including respect and tolerance, and focus on the ability to make the right choices
- Units that teach about similarities and differences between different faiths and cultures
- Curriculum that shows the many influences that have helped to shape modern Britain, Morocco and the world.
- Learner Profile discussions and pastoral care
- Student Council and its democratic system of voting
- Opportunities which provide all pupils with a clearly heard 'voice'
- Our Mission Statement and the values which guide our behaviour and thinking
- Close links with our community
- Charity work and action
